# **PAYOR/WAIVER of PREMIUM DISABILITY RIDER**

<b>BENEFIT</b>	<p>This Rider waives the premium payments for the insured if the insured member becomes totally disabled while the Certificate is in force. The premium payments are waived for as long as the disability lasts and the certificate remains in force.</p> <p>The disability must commence while the certificate is in force and on, or before, the insured's age 60.</p> <p>Benefits begin after six months disability duration.</p>
<b>PREMIUMS</b>	<p>The premium payment rates, which vary according to the Issue Age, are shown on the rate tables for each age.</p>
<b>ISSUE AGES</b>	<p>This benefit is available through Age 59.</p>
<b>LIMITS</b>	<p>There is no limit to the amount of premium waived. The amount, of course, must equal the amount of the premium due on the insured's certificate.</p>
<b>THE APPLICATION</b>	<p>When applying for this Rider, be sure to add the premium cost on the Application Form.</p>
<b>FEATURES</b>	<p>This Benefit insures the insurance. It makes certain that protection will continue while the insured is disabled and unable to work. The danger of disability is greater than the risk of death and the duration can be quite lengthy if not permanent. Good health is like wealth. It should be insured.</p> <p>When the Waiver of Premium Disability Benefit is added to a juvenile certificate it becomes a Payor benefit. This means that in the event of the death or disability of the parent or person paying the certificate premiums, the premiums on the child's certificate will be waived.</p> <p>During the Payor's disability and while premiums are being waived, the certificate values continue to build just as if the insured would be paying the premiums. Waived premiums need never be repaid nor are they ever deducted from the certificate values.</p>
