## BRANCH 9, CHICAGO

By Rose-Marie Hauer

Greetings to all our members and friends! Spring is finally on the way and the dreary days of winter will be far behind. We have lots of events planned for the year and hope everyone can attend!

Thank you to all the Saxon and Honorary Saxons for coming out and helping to do a "Feed my Hungry Children" packing session on February 16, (see photo below)! We packed over 25,000 meals for needy children.

**Please mark your calendars! Our events for 2018 are as follows:**

- Saxon Maifest at the Schwaben Center in Buffalo Grove, IL. Saturday May 5. Please watch your mail and make reservations with Rose Hauer 847-685-9821. Tickets are \$35 which includes dinner.
- Almost booked event evening of June 27, 2018 (watch for details)
- Picnic at Linne Wood Forest Preserve, Morton Grove, IL. July 15, 2018
- Stueben Parade September 8, 2018
- Christmas party December 16, 2018.

Sick List- Brother Henry Reif. Please remember him with a card. We wish him a speedy recovery!

Committee members for the Maifest event- please bring baskets and raffle prizes to the April meeting for the raffle. If you need to make other arrangements please contact Rose.

As members are getting older or passing away our Saxon Trachts and shirts are left behind for younger generations. However, these generations

may not want to keep these items. Many members do not have Trachts and have asked us if they could borrow one for an event. Our answer is we don't have any! As you know a Tracht is unavailable to buy. So we have come up with an idea at Branch 9 to correct this issue. Rose Hauer and Dede Thut are reaching out and asking any members, past members, and children of members that have a Saxon tracht or shirt hanging in their closet they do not want to please contact Rose at 773-758-9461. We would like to preserve these costumes and have them available for others to wear to our events.

The German Day Association has come up with a new website <http://germanday.com> to announce all upcoming events in the Chicagoland area. Please refer to this website to obtain information about events coming up in the future that you may be interested in attending.

The next meeting will be April 2, 2018 at the DANK Haus.

## PRESIDENT'S MESSAGE

By Joan Miller-Malue

ATS Nat'l President

An important part of fraternalism is volunteering in our local communities. Community service involvement is important because it teaches us compassion and willingness to work for the betterment of others. I wish to recognize and commend the members of Branch 9 Chicago under the leadership of President Diethild Thut for their work with Feed My Hungary Children. Several weeks ago, they volunteered to help pack 25,000 meals for needy children in the Chicago area. They made a difference in their community by showing love and support to people in need. Dede said that had a blast while working with others to accomplish this task. I know other Local Branches and their membership work on community projects and are to be commended on their fine works in their community involvement. *"Living is the art of loving. Loving is the art of caring. Caring is the art of sharing. Sharing is the art of living. If you want to lift yourself up, lift up someone else."*...Booker T. Washington.

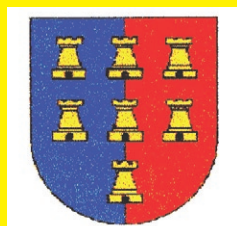

I want to remind our ATS Local Branches that it is mandatory each year for the Branch to file a 990-tax return for Tax Exemption Organizations by May 15<sup>th</sup>. The majority of our Branches are able to file a 990-N whose gross receipts are normally \$50,000 or less. It is a very short form that is filed electronically. There is no paper form except the receipt of submission which you will need to keep a copy for your Branch records and also will need to send a copy to the ATS Home Office. If the Branch's gross receipts are less than \$200,000 and total assets less than \$500,000 at the end of the year, you would be required to a Form 990-EZ. Any Branch with receipts equal to or above \$200,000 or assets equal to or above \$500,000 must file a 990 full return. The ATS Home Office must receive a copy of your 990-form submission or copy of return that we keep on file for verification when we have an examination by the Ohio insurance Department and, also for our annual submission to the IRS that we and our local Branches are in compliance with the applicable laws. If any Branch has a problem with the submission of their 990-N, please call the ATS Home Office and Monica Gilles will assist you with your filing.

# Schloss Horneck needs OUR help!

Since 1960 Schloss Horneck has housed the Siebenbürger Museum, the Siebenbürger Library and Archive, the Siebenbürger-Institut and is the base for many Saxon organizations. A seniors home is also located on the property. Last September the Verband der Siebenbürger Sachsen in Deutschland purchased the property for one million Euro.

Donations were received from individuals and organizations to help fund the purchase of the property. The purchase of Schloss Horneck gives the Siebenbürger Saxons throughout the world a central location where Saxon artifacts, books and other historical documents can be collected and stored to preserve our ethnic history for many years.

The Federation of Transylvanian Saxons is asking for donations from all Saxons and Saxon organizations to help in funding of this historical facility. If you are interested in giving a donation to help fund this project please complete the form below and send to the ATS Home Office, 5393 Pearl Road, Cleveland, OH 44129. Please make your check payable to the ATS.

used Lysol to disinfect our homes. But did you know that a Transylvanian Saxon had discovered the valuable tar oils water-soluble that is now known as Lysol? Dr. Gustav A. Raupenstrauch, was born in Bistritz in 1859, coming from one of the largest and most prominent families in Bistritz. He studied pharmacy at the University of Vienna. He worked as a department manager at the chemical experimental station and the Food Inspection Institute in Wiesbaden. He developed Lysol in 1889. He used raw carbolic acid, a mixture of phenol and isomeric methyl phenols which was derived from coal and beech wood tar. In

conjunction with potash soap he was able to produce the water-soluble agent. In 1890 he moved to a newly founded company Schülke & Mayrin Hamburg, which then focused on the production of Lysol. The first Lysol Brand Antiseptic Disinfectant was to help end a cholera epidemic in Germany. The formulation has changed over the years and in 1930, Lysol Brand Disinfectant Liquid was introduced to drug stores and hospitals. In 1929, on Dr. Raupenstrauch’s seventieth birthday, he was honored by the world-wide medical profession and was presented the Golden Medal of Merit by the Government of Austria.

The danger of  
financially dependent  
children

As many as 73 percent of parents with adult kids have given them money during the previous year, according to Time.

It's one statistic that hints at the reality of young adults who remain financially dependent on parents. According to The Simple Dollar, this is defined as any child that requires constant financial support from their parent to maintain their lifestyle even if they aren't currently living in the same house.

The situation becomes a financial hardship on parents who will have to work longer years to support themselves as they age.

One of the most common issues with adult children is that they fail to move out on their own, even after college. In fact, Business Insider points out that about 29 percent of 25- to 34-year-olds will move back in with their parents after graduation.

Living at home costs young adults, too. In Australia an estimated 25 percent of young adults aged 20 to 34 still live in the parental home. A household income study revealed that young adults who left home after age 25 earned \$6,000 less per year than those who left home earlier, according to the Herald Sun.

## Money Tip

If there are just one or two people in your household, you may find it difficult to use up certain food items before they go bad. Consider splitting some purchases with a friend, neighbor, or family member. For example, potatoes are cheaper by the 10-pound bag, but it may take you two months to go through them. Instead, split the bag with a neighbor, sharing the cost and the goods. You will still get a good price without losing any savings to food spoilage.

## BRANCH 25, NEW CASTLE

By Jonathan Baisch

Liebe Freunde - Fröhliches Neues Jahr von die Eintracht Gesang Verein, Männerchor, und Kinderchor! (Eintracht Gesang Verein was the Eintracht Singing Society's original name)

Lots has happened since our November submission to the Volksblatt. First in December we prepared for Christmas with a wonderful concert featuring our Männer und Kinderchors. Many enjoyed a delicious schnitzel dinner beforehand and the Singing Society was graced by our ATS President Joan Miller-Malue and 2<sup>nd</sup> Vice-President Monica Weber. This event will be an annual occurrence so look for it again next year!

January was quiet for the Singing Society but ended with a fun 100 Draw Down dinner. The 100 participants in this event had a chance to win a grand prize of \$2000. The drawing occurs while enjoying tasty hors d'oeuvres, a dinner, and of course Gemütlichkeit.

In early February our 66 Tournament began again. We have a strong following of 8-10 teams each year in the 66 Tournament and this league runs about 6-8 weeks. 66 is a Saxon card game in a similar vein to Pinochle and Euchre with a selectable trump suit. Our membership is always willing to teach new players and this has bridged

multiple generations with some grandparents bringing their grandkids. If interested in the league next year send us an email or call down to the club to get more information.

The Society had our monthly meetings in January and February. The meetings' highlights were installation of officers and discussion of this year's expanded two day Oktoberfest (Sept 22 – 23). The planning for this Oktoberfest has already begun! We are looking for sponsors and also for vendors in a Weihnachtsmarkt – contact John McCormick or Hans Kraus if interested.

Shortly after Valentines and Ash Wednesday the semi-annual Night at the Races took place in our Sänger Hall. The event had a new menu and unlimited beer. This year all horses were sold out and an extra

race was even added. The crowd had a lot of fun and the club was able to increase our building fund.

The Männerchor and Kinderchor continue to practice, preparing for the ATS Heimattag and our Spring Concert (May). The Männerchor performed the national anthem for the Youngstown Phantom's Hockey game in February. Both organizations are always looking for new singers to swell our ranks.

Upcoming events in March for the Eintracht:

- The club will be open all day for St. Patrick's Day with live music in the afternoon.

- March 24<sup>th</sup> - We will have a return of Stein Night with Ron Pivovar performing for a sing along with the Eintracht Mannerchor. Bring a Stein and join us for some Gemütlichkeit!

One last note – if you haven't paid your dues please do so – they were due the end of January and are needed to participate in club activities.

**We remember our Sisters and Brothers who have departed this life in recent days. Our sincere sympathy is extended to the members of the bereaved families.**

At our February meeting we held our Annual Memorial Service for our local members who passed away during 2017. We wish to thank the Eintracht-Saxonia Sachsenchor and director, Andrea Ball for making the memorial service special by singing several songs in honor of our departed members.

We also wish to thank Horst Hebrank, President of the Sachsenchor, for conducting the installation of officers. All officers were re-elected to serve the society in 2018.

We had another successful Chinese Auction/Sausage Dinner this year! We had a full house! Everyone enjoyed a delicious homemade sausage dinner prepared by our wonderful Saxon cooks. We had approximately 100 wonderful items to raffle off plus side boards and a 50/50 raffle. We are so thankful for their support that day and are so very grateful to our members and friends who donated an item or monetary gift. We also want to thank our Auction Committee and everyone who helped set-up and tear-down, the cooks, those that sold tickets, raffle tickets, side boards, servers, our announcer. It was a fun afternoon that helped support the maintenance of our Sachsenheim. We can be proud in Cleveland that we have dedicated members and friends that care about our fraternal home!

**Celebrate  
St. Patrick's Day  
with a new take on  
an Irish favorite**

The origins of the Reuben sandwich are widely contested, but it is certain that many a palate has savored the rich deli taste of the corned beef, Swiss cheese and sauerkraut-laden stack.

One story related to famed chef Craig Claiborne, by Patricia Taylor, contends that her father, Arnold Reuben, made the first Reuben sandwich in 1927 or 1928 in his New York deli. It was actually rye, ham, and Swiss cheese with a topping of cole slaw and Russian dressing.

Reuben Kulakofsky, a wholesale grocer and restaurateur in Omaha, made the sandwich for his poker buddies and it later appeared on the menu of the Blackstone Hotel.

While the Reuben sandwich could be Jewish or Nebraska homegrown in origin, corned beef is an Irish staple for celebrating St. Patrick's Day.

**Irish Reuben Casserole**

- 3 cups toasted pumpernickel bread cut into one-inch cubes
- 1 pound corned beef deli slices or slices from a boiled slab
- 12 slices Swiss deli cheese
- 1 cup sauerkraut
- 1 bottle Thousand Island dressing for garnish or condiment

Layer the bottom of a large rectangular glass baking dish with half the cubes of toasted Pumpernickel.

Layer six slices of the Swiss cheese on top. Next, add a layer of the corned beef and another layer of Swiss cheese.

Spread the sauerkraut evenly over the top of the Swiss cheese layer and spread the remaining toasted cubes of bread on the top. Bake at 350 degrees until the top layer of bread becomes firm and crusty.

Drizzle the dressing lightly across the top and place a bowl of it on the table as a condiment. Green Goddess dressing can be substituted as the drizzle for a St. Paddy's Day touch.

People .....is what our Saxon Alliance is all about. People.....like your sons and daughters, your grandchildren, your relatives, and your friends. We ask for your help in building our Saxon Fraternal Family. There are so many eligible relations and friends who should be reached and invited to join our organization. Please extend to them an invitation to participate in our Fraternal activities and benefit from our Insurance and Annuity programs.

For fraternal fellowship and cultural promotion, the ATS national program encompasses many varied activities.....something for everyone: Heimattag reunions, biennial conventions, bowling association and bowling tournaments, annual golf outing, family outings, youth summer camp, coloring contests, international youth rallies and cultural exchanges and more. Local Branch activities include monthly meetings, social events, children's parties, senior groups, cultural groups that include choirs, dance groups and band, charity work within their communities and more.

We issue the bi-weekly Saxon News Volksblatt, offer orphan/child benefits and scholarship awards to our ATS members. We have available the Saxon Cookbook, and several cultural books in English.

We need People.....and People need us! Let's work together to promote our Saxon fraternal and increase our membership. Introduce your relatives and friends to your Local Deputies and let them see how the ATS can become an important part of their Lives.
