Best wishes to ATS Actuary, Howard Heidorn, Jr., on his retirement
after 29 years of service to our organization

BRANCH 25, NEW CASTLE By Jonathan Baisch

Summer has seen a lot of work and fun events for the Eintracht Singing Society. Some of our members have put a lot of work into updating our dance hall at the Picnic Grounds in preparation for this summer's events and activities. The dance hall now has been repainted and a new ceiling installed behind the bar. Many thanks to the members who worked on this! We also updated the electrical in preparation for renovations in the coming years.

Our Picnic Grounds (586 McKee Fording Road, New Castle PA) is the site of our summer concert series and the next concert will be in combination with our annual Männerchor Picnic July 15th. The Youngstown Brass Band will be performing this year followed by Mädel Jäger and, of course, somewhere between them the Eintracht Männerchor will be singing.

Our second annual golf scramble at Sylvan Heights on June 24th was a very nice event with 12+ teams participating and everyone enjoying the Steak dinner afterwards down at the picnic grounds.

Other upcoming events for the Eintracht are a Blues Festival (July 29th), our member picnic for Branches 25 & 27 (August 6), and we are planning our first annual Schützenfest (August 26). Come join our Schützen-

fest and see if you can become König of Schützenfest.

The Eintracht Singing Society had an unfortunate setback on July 13th when torrential rain flooded our club with over 6" of water. The cleanup has been costly, but the club is restored to operation – The Eintracht is taking donations to help defray the cost of the flooding.

Finally, our Männerchor has been practicing some new pieces (and some that I thought were new but are actually older than I am) in preparation for Oktoberfest and the fall / winter seasons. The Männerchor is available to come perform at any of the other clubs – if interested please contact Dan Forsberg, our director, or myself at newcastleeintracht@gmail.com.

BRANCH 9, CHICAGO By Rose-Marie Hauer

The annual picnic was held on June 11, with hot sunny weather, many members and guests attended. The food was excellent and so we were all those delicious baked goods! The raffle had so many prizes and lots of people went home winners. Thank you to the committee for all their hard work. All your efforts paid off and we had a very successful picnic. President Thut presented ATS scholarship certificates to Stephanie Schmidt and Alyssa Schmidts. We congratulate these young women as they continue their college educations.

Our meeting was held on June 5, with fair attendance. President Thut discussed many of the events that will be occurring in the next month.

July meeting will be on July 10, NOT July 3 (due to 4th of July holiday).

No meeting for the month of August.

Steuben Parade September 9, at 2 p.m. We need people to march in costume for the parade. Please contact President Thut as soon as possible if you can march.

Sister Schmidts reported that we have no members on the Sick list.

Again please mark your calendars for the events listed above and see you at the next meeting on July 10, 2017. Have a great summer!

(See Page 5 for photos from the picnic)

PRESIDENT'S MESSAGE

By Joan Miller-Malue

ATS Nat'l President

On Saturday, June 10th the Transylvanian Saxon Bowling Association (TSBA) held its annual Bowlers' Convention at the Youngstown Saxon Club. We wish to thank our hosts, Tom Simon and Bob Lohr, for providing us with warm hospitality and refreshments for the day. TSBA President Glenn Spack welcomed the delegates from the local Branches that will be hosting this upcoming season sessions. Unfortunately, Alliance will be unable to host further sessions, since the city no longer has bowling lanes available. The delegates decided to keep seven sessions, and have the city who has first pick of dates each year to also have the opportunity to host two sessions if they so choose. All officers were re-elected with the exception of Trustee Debbie Tomusko who was unable to serve another term due to work. Karen Kinser, Alliance Branch 8, was elected to serve as the new Trustee. The TSBA officers and delegates are to be commended on their efforts to provide this opportunity for local branches to share in a monthly activity that strengthens the bond of our ATS membership. I encourage more members to join in the fun each month. Certainly, there are more ATS families or group of ATS friends that can make up a four-person team to enter the TSBA to enjoy the friendship of other members within our ATS organization. No skill is needed, the TSBA utilizes a bowling handicap system. This bowling handicap allows a person to compete against other bowlers with varying levels of skill with an equal chance of winning. So, the field is open for you to be a winner plus enjoy Saxon Gemütlichkeit! Deadline for team entries is August 15, 2017. If you are interested and want more information you can contact Glenn Spack at (330) 332-8174 or Jenny King at (216) 551-1728.

Our ATS Actuary, Howie Heidorn, Jr., after working diligently for our organization for the past 29 years, has decided to retire this month. The service of an Actuary is essential in the business operations of a Fraternal Benefit Society. He analyzes the financial consequences of risks of uncertain future events that could affect both sides of the balance sheet. He calculates the necessary reserves that are needed to support our life insurance and annuity funds. We were fortunate to have his expertise that helped us stay financially strong as well as establishing a sincere friendship. Monica Gilles, ATS National Secretary, Randall Floyd, ATS Trustee and myself were in Chicago for a meeting and along with Branch 9 President Diethild Thut and husband Georg we invited Howie and his wife, Carol, assistant actuary Silvio Rodia and wife Michelle to dinner and presented Howie with the Saxon Honor Pin to show our appreciation for his long years of dedicated service to our fraternal. He has played an important role in the growth and success of our organization. Howie is a member of the ATS and we extend our warmest wishes for a well-deserved retirement.

ATS Family Day at Waldameer Amusement Park and Water World located in Erie, Pennsylvania is a perfect way to celebrate some summer fun with your family and friends. There is no admission to enter the park. We are subsidizing the cost for members' tickets that are only \$12 which allows you to go on the amusement park rides and also enter Water World. We have a discount ticket price for non-members at \$24.50. We have a reserved

Schloss Horneck needs OUR help!

Since 1960 Schloss Horneck has housed the Siebenbürger Museum, the Siebenbürger Library and Archive, the Siebenbürger-Institut and is the base for many Saxon organizations. A seniors home is also located on the property. Last September the Verband der Siebenbürger Sachsen in Deutschland purchased the property for one million Euro.

Donations were received from individuals and organizations to help fund the purchase of the property. The purchase of Schloss Horneck gives the Siebenbürger Saxons throughout the world a central location where Saxon artifacts, books and other historical documents can be collected and stored to preserve our ethnic history for many years.

The Federation of Transylvanian Saxons is asking for donations from all Saxons and Saxon organizations to help in funding of this historical facility. If you are interested in giving a donation to help fund this project please complete the form below and send to the ATS Home Office, 5393 Pearl Road, Cleveland, OH 44129. Please make your check payable to the ATS.

pavilion, Coaster #1, for the whole day. You are permitted to bring in your own food and beverages to be enjoyed while at the pavilion. We will have a drawing at 5:00 pm, so make sure you stop by the pavilion when you arrive to sign up the drawing. There are free shows throughout the park. The Water World was expanded this year, which now features 103 water attractions, seven slides and 400-gallon tipping bucket plus the new “Battle of Lake Erie.” This definitely sounds like a fun day to me. Tickets are available at the ATS Home Office. Deadline for ticket orders is July 20th.

We just received notice that our faithful member, Katharina Toecker has passed away. Sister Toecker served as President and ATS Deputy for Chicago Branch 9 for many, many years. She worked diligently enrolling ATS members while serving her Saxon and German community. We extend our condolences to her family.

Transylvanian Saxon Trivia: There were eleven Saxon Chairs and Districts in Transylvania which included Hermannstadt, Schässburg, Kronstadt, Mediasch, Bistritz, Mühlbach, Grosschenk, Reps, Reussmarkt, Leschkirch and Broos. Siebenbürgen (*Septem Castra* in Latin) refers to seven of the fortified towns: Bistritz, Hermannstadt, Grosschenk, Kronstadt, Mediasch, Mühlbach and Schässburg.

Ich wünsche allen einen schönen Tag.

BRANCH 4, CLEVELAND By Joan Miller-Malue

The Sausage and Beer Fest was a huge success. The weather was beautiful in the Sachsenheim's garden with a constant breeze. Our manager, Scott Lindell, is to be commended on the numerous sausages he prepared for the event. It was quite a variety and all delicious. And, of course, the variety of beers were enjoyed by all. It was a great event!

We had a rather short June meeting. We announced three new junior members: Emily Mackey, Emma and Mary Carvaines; heard all committee reports; reviewed the Branch Presidents' meeting; approved the auditing and treasurer's reports. After the meeting, we had a lot of fun with the secret gift auction. Our winners were: Maria Fischer, Maria Botsch,

Maria Tellman, Erika Botsch, Rosemarie Zimmer and Katie Hanek.

We will not hold meetings during the summer months of July and August. But we want you to stay active with participating in the ATS summer activities: ATS Family Day at Waldameer Park and Water World on Saturday, July 29; for our golfers, the ATS Golf Outing that will be held at the Salem Hills Golf Course August 12 – 13 and the Sachsenheim's Oktoberfest on Saturday, August 26.

We are looking for some more bowlers for the TSBA. We would like to have at least one more team from Cleveland West. Only need four members to make up a team! Let me know if you are interested. Deadline for team entries will be August 15th.

YOUNGSTOWN SAXON RETIREES By Teri Laret

Welcome to all! The following are the minutes of the Youngstown Retirees meeting held on Thursday, June 8. We open the meeting with prayer of thanksgiving to God and prayers for the future. The Dundon family is hosting this month and as usual there is an abundance of good food from the kitchen. If anyone goes home hungry it's their own fault.

Hermine has family members here as guests today. It's good to see them and it's good that Hermine is here also as she has been on the sick list the past few months. Carolyn Rauschenberg, Garland Dunkel and Martha Konrad have been added to the sick list.

A note for all to know: Doctors say anyone can recognize a stroke by answering three questions. 1) Ask the person to smile; 2) speak a simple sentence and 3) raise both arms. If they cannot respond call emergency immediately.

On a lighter note, next meeting July 13 the Dundon family offered to host again. We invite others to take a turn as it is not hard; as you just need to pick the month and a menu. Once you have selected a menu call Debbie in the office and she will take care of the rest, it is as easy as that.

Down to business the drawing was won by Marge T, Teri, Tillie, Lucy, Sandy (a guest), Lisa and Julie.

That's all folks. So ein Tag!

BRANCH 2, ERIE
By Lee Wolfe

Our Supper/Business meeting was held Sunday, June 18 at 2:30 p.m. There were no members’ deaths to report. However, after the meeting we learned of two member deaths, namely Eileen Agostini and Lois Barthelmes. We send our sincere sympathy to the departed’s families and friends. They will be remembered in our prayers. Lois was a friend mine for over 45 years. She was one of the nicest people you would ever want to meet. When Loey and I started to bowl at the Siebenbuerger Club we became friends with Judy Wagner and Rose Ziegler. The four of us had such good times going to Atlantic City. I will miss my dear friend a lot and I know Judy will too.

We send out our best wishes to Joanne Kurczewski who is on the sick list.

There will be NO MEETINGS in JULY or AUGUST. Our next meeting will be held Sunday, September 17 at 2:30 p.m. In October we will hold our dinner meeting. We miss many of our members who have not attended during this past year and welcome all of you to join us. We welcomed new member Sophie Irene Randolph.

Our Branch Sharing Check will be divided for our October and January dinners, our Chi Party, the Bowl Where You Are Tournament for our young members and

a donation to our Veterans.

A Happy Birthday to our July celebrants come of who are: Gilda Carr, Mary Nemenz, Grace Goellner, Anthony Comi, Ronald DiSantis, Wayne Morschhauser, Phyllis Pierce, Karli M. Goellner, Maryssa Martin, Danny Gorzynski, Flo Martin, Liz Manning and Ray Borgia.

Congratulations and Happy Anniversary to our July couples: Mr. & Mrs. Paul Williams, 47 years; Robert & Val Quinn, 33 years; Dr. Anthony & Jean Cilluffo, 49 years; Scott & Ann McLaughlin, 30 years; Merle and Phoebe Wood, 58 years; and Vincent and Elva Vargo, 48 years. We wish all our anniversary couples a very happy and wonderful day!

Judy Sovo was very luck at our meeting as she won the 50/50 and the Club’s dinner gift certificates.

We hope that all of you will have a happy healthy summer. As they say take time to smell the roses, enjoy all the beautiful trees in full bloom, the gorgeous flowers, hearing kids laughing as they play, most of all enjoy each other, your family and your friends. Too soon they are gone, but thank the Lord we are blest with wonderful memories of the good times you had with your departed loved ones.

See you in September. Take care everyone!

Tips for staying
with exercise

About 21 percent of adults in the U.S. always make it to the gym or exercise studio.

Why them and not everyone?

Steady exercisers have some habits in common.

According to studies by Dr. Navin Kaushal of the Montreal Heart Institute, steady exercisers have a regular exercise schedule that never varies. They don’t debate whether they have the time that day, because exercise is just part of the day.

However, the most active people aren’t rigid about their routines. While they always exercise, they are flexible on time. If they are 20 minutes late to the gym and can’t make an exercise class, they will get in the remaining minutes doing something else. It still counts.

In fact, regular exercisers count all sorts of activity as exercise. A family hike can count as exercise just as much as an hour of weight training, if the situation presents itself.

Finally, it helps to have visual cues for exercise, Kaushal found in a 2017 study. A runner might have his running clothes laid out and ready to go. A walker might have the walking stick ready at the door.

Don’t swallow pool water

Outbreaks of a yucky pool parasite have risen two-fold in the last two years, according to the Centers for Disease Control.

The parasite goes by the nickname of crypt- (for cryptosporidium) and is spread through human feces. It causes three weeks of diarrhea, stomach cramps, nausea and vomiting.

The parasite gets into the water at parks and pools primarily through kids under the age of 5

who poop in the pool even in small amounts.

Once in the water, ordinary chlorine levels that are safe for swimming don’t affect the nasty bug. It can survive for up to 10 days at swim-safe chlorine levels. When detected, pool owners must keep people out of the water and add high levels of chlorine.

It’s best to caution kids and adults never to swallow water from a swimming pool.

Bitters have a rich history

Of all the herbs in common use, bitters have the most storied history.

The Germans swear by them to aid in digestion. Author Ernest Hemingway famously used them mixed with Vermouth.

According to the University of California's Berkeley Wellness letter, the term bitters would traditionally describe an alcohol-based extract of leaves, flowers, bark, or roots of bitter-tasting plants. Two of the most famous bitters, Angostura and Peychaud's, date back to the 1800s and are a frequent addition to cocktails. In modern days, bitters are classified as herbal supplements and are typically taken by the dropper as a remedy for digestive issues.

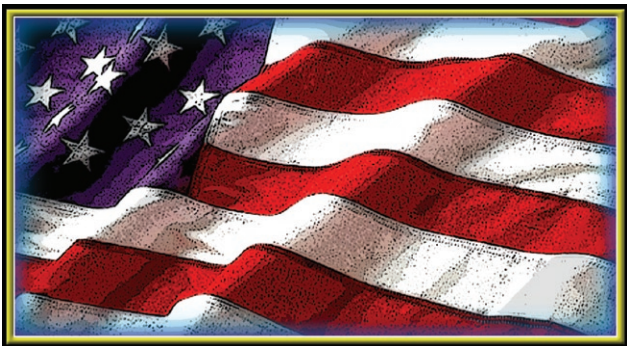

Many believe that the bitter taste helps trigger taste receptors in the mouth, which in turn help increase production of saliva, stomach and pancreatic enzymes, bile, and gastrointestinal hormones, according to Wellness.

Germany's version of the FDA has approved bitters as a treatment for relieving gas and nausea and for appetite promotion.

However, there is some research that suggests bitters could be harmful to those with acid reflux or ulcers and can interfere with some medications. Some theorize that a particular variety, gentian bitters, might lower blood pressure as well.

1778: Patrick Henry to George Rogers Clark

I send you herewith some Copies of the Act of Government & Bill of Rights, together with the French Alliance. These will serve to show our new friends; the Ground upon which they are to stand, & the Support to be expected from their Countrymen of France. Equal Liberty & Happiness are the objects, to a participation of which we invite them.

Thomas Jefferson's First Inaugural Address, 1801

A rising nation spread over a wide and fruitful land, traversing all the seas with the rich productions of their industry, engaged in commerce with nations who feel power, and forget right, advancing rapidly to destinies beyond the reach of the mortal eye. When I contemplate these transcendent objects, & see the honor the happiness, & the hopes of this beloved country committed to the issue & the auspices of this day, I shrink from the contemplation, & humble myself before the magnitude of the undertaking.

The Emancipation Proclamation, 1863

All persons held as slaves within any State or designated part of a State, the people whereof shall then be in rebellion against the United States, shall be then, thenceforward, and forever free.

Abraham Lincoln's Inaugural Address, 1865

With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us drive to finish the work we are in; to bind up the nation's wounds, to care for him who shall have borne the battle, and for his widow, and his orphans to do all which may achieve and cherish a just and lasting peace, among ourselves, and with all nations.

The 19th Amendment, 1920

The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex.

Common sense safe practices for fireworks

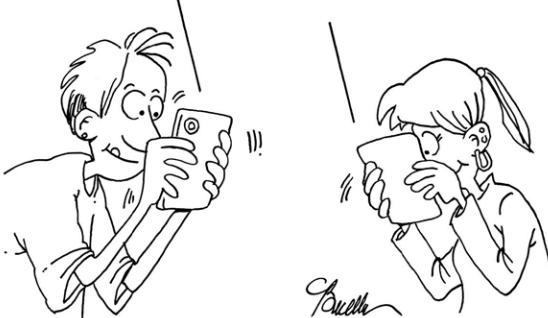

* **Keep a bucket of water or the hose handy. It's not hard to do. It doesn't spoil the fun. But you can use it to douse duds or prevent small fires from getting big.**

* **Use safety glasses if you are setting off fireworks. It can't hurt but it could save your eyes. The danger is not just from objects shooting in your face but also from particles that come off regular fireworks.**

* **Don't be an idiot. Don't point fireworks at others. Don't let small children play with sparklers. Don't drink and get silly.**

I'D LOVE TO SEE
WHAT YOU LOOK LIKE.
CAN YOU SEND ME

Start Saving

The Fourth of July celebrates the day in 1776, when the Continental Congress approved the Declaration of Independence. From that day onward, the 13 colonies, which made up most of the East Coast from Massachusetts to Georgia, were on their way to becoming a sovereign nation and the first states in the United States.

Today we celebrate that monumental moment in the U.S. history with barbecues, fireworks, and a good day trip to the beach — a far cry from what our founding fathers would have done. We must not forget why we celebrate Independence Day which is to honor the liberation and birth of the United States of America. It's time to celebrate the joys, the blessings and the sacrifices that form the fabric of our nation.

As Americans and Transylvanian Saxons we appreciate the spirit of liberty that was manifest in the principles that were embraced by our Founding Fathers. We know that we are blessed to live in this great country that provides us freedoms that are guaranteed in the Bill of Rights that include freedom of speech, assembly, religion, petition, to bear arms, right to equal justice, to own private property.

We also know that it is our duty to honor, respect and be grateful to our Veterans that have sacrificed so much that we may enjoy these freedoms.

**Let us Celebrate Today and Every Day
Our Freedom, Our Pride and Our Country.**

***God Bless our Veterans!
God Bless the United States of America!***
