BRANCH 18, SALEM

By Barbara Spack

The ladies met on June 13 for the regular monthly meeting and had a thoughtful discussion about the possible merger of Branches 18 and 19. The merger committee has not met since the revised constitution was drawn up and published in the Volksblatt. We talked about the suggested merger steps and if there should be more discussion and thought to what happens to assets, money or property in a merger, as well as iron out questions and problems that are satisfactory to both branches, including but not limited to the cost to operate the club, and the impact to membership of an increase in dues over five years from \$12 to \$36 per year.

We are asking all Branch 18 members to provide feedback about concerns or questions they may have. All our members are not able to come to the meetings; but this is your club, too, and we want your thoughts. Please reach out to me by phone 330.337.7487 or email babrayn@sbcglobal.net with your thoughts, concerns, or questions. We appreciate all communication on this topic and will be discussing this further at a joint meeting on July 11 with Branch 19.

Our Salem Saxon Scholarships will be awarded on Friday, July 15 at 6:00 p.m. and all members are invited to attend the presentations at the clubhouse. Light snacks and beverages will be served. Please come out and support the club and the graduates who will be honored with a scholarship.

Congratulations to our Branch 18 members Emma Ulrich and Erika Miller who received ATS scholarships at the 107th ATS convention in May.

The ladies of Branch 18 have initiated a scholar-

ship fund with the ATS to begin in 2023 for ATS members who are continuing their under-graduate education. We recognize the need to cover expenses in the 2nd, 3rd and 4th years of college and this will be another opportunity to help with that expense.

At our June meeting, we reported the passing of 50-year member Judith Haldeman. A memorial donation was sent to the Emmanuel Lutheran Church in Salem. Also reported were the passing of Cathy Sudol's husband and Lois Whitacre's sister. We send our condolences to the family of Judith, to Cathy and her family, and to Lois and her family.

The ATS Saxon Day event on July 9 at the Youngstown Saxon Club is in lieu of a Heimattag this year and the ladies will be reimbursing the cost of lunch and dinner for any members who attend the Saxon Day event. We want to encourage support of ATS events as well as other local branch events. Please look for the reservation form in the Volksblatt and enjoy the performances by the dance groups, singers, and Youngstown band as well as the camaraderie and social engagement with other Saxons!

I would like to express my deepest appreciation to the ATS for the Ehrennadel (Saxon honor pin) which I received at the ATS convention in May. I was humbled by the enormity of responsibility that I feel this honor presents with. I will do my best to continue to earn it as a local Branch 18 member and as an ATS board member.

Our July meeting is scheduled for Monday, July 11 and for this meeting only we will meet at 7:30 p.m.; with the combined Branch 18 and 19 meeting to follow our regular meeting. Please attend this important meeting and again, please respond with your feedback regarding the merger of branches.

PRESIDENT'S MESSAGE

By Denise Aeling Crawford

ATS Nat'l President

I attended the Transylvanian Saxons Bowling Association's annual Convention on Saturday, June 11th. Thank you, New Castle bowlers, for hosting the event. All of the TSBA Officers have remained the same for the upcoming season. Thank you for continuing on and for your time and effort in keeping this group going. Joan Miller-Malue said it best that day: This is the ATS's best event in getting the different Branches together. The upcoming TSBA season will start on September 18th in Youngstown. The TSBA is always looking for new bowlers. You don't even have to be a good bowler, just plan to have fun. Whether you have enough for a team, or just one or two people, let us know that you're interested and we'll get you on a team.

Everyone says how they've been cooped up so long, they can't wait to get out and do something. Well, here's your chance. We have various events coming up this summer, so please plan to attend some or all of them! ATS Saxon Day on July 9th will be a casual affair at the Youngstown Saxon Club. All four of our Cultural Groups will be performing. We will also enjoy a special performance from the dance group in Aylmer, Canada who will be attending. ATS Family Day at Waldameer on July 23rd is always a great day for anyone attending, no matter your age. Even if you don't ride any of the rides, feel free to bring your picnic basket and hang out in the pavilion. We play bingo and raffle off prizes and have a great time just catching up with people. A Field Trip at the Cleveland Zoo is scheduled for August 6th, the ATS Fishing Charter will be held on August 20th and ATS Family Weekend at Camp Fitch will be September 23-25th. An advertisement with details for each of these events are in this issue of the paper. Don't hesitate to make your reservations.

In addition to the ATS events, plan to attend your local Branch events. The Fraternal Calendar in the paper includes these local events as well as the ATS events. Feel free to make a reservation at a different Branch's events. They will all welcome visitors from out of town at their events.

We are still looking for a Branch to step up and host the 2023 North American Heimattag. The suggested weekend is July 7, 8, and 9, but could be something different. If your Branch would like to host this event, please let the ATS Home Office know by the end of June. If you have questions on the details of hosting this event, feel free to call or email the ATS Home Office and we will get you answers.

Did you know that this year on June 26th will be the 74th Anniversary of the start of the Berlin Airlift? On

PRESIDENT’S MESSAGE
Cont’d from Page 1

June 26, 1948, U.S. and British pilots began delivering food and supplies by airplane to Berlin after the city became isolated by a Soviet Union blockade. When World War II ended in 1945, defeated Germany was divided into Soviet, American, British and French zones of occupation. The city of Berlin, located entirely within the Soviet zone of occupation, was also divided into four sectors. The Allies had the western part of the city while the Soviets held the eastern side. In June of 1948, Stalin’s government tried to consolidate control of Berlin by cutting off all land and sea routes to West Berlin in order to pressure the Allies to evacuate. Beginning June 24, the western section of the city and its 2 million people were deprived of food and crucial supplies. President Truman authorized a massive airlift operation. The first planes took off from England and western Germany on June 26, loaded with food, clothing, water, medicine and fuel. At the beginning of the operation, the planes delivered about 5,000 tons of supplies to West Berlin every day. By the end, those loads amounted to 8,000 tons of supplies per day. The Soviets lifted the blockade in May 1949. The airlift continued until September 1949. When it ended, the eastern section of Berlin was absorbed into Soviet East Germany, while West Berlin remained a separate territory with its own government and close ties to West Germany. The Berlin Wall was built in 1961 and remained until 1989. Once the Wall was complete, Checkpoint C was the only official crossing point for Allied troops and foreigners between the two sides of the city. In 1980, I participated in the Jugendlager that was hosted by Germany. We traveled from West Germany to West Berlin for a week. I have some photos of the Berlin Wall, as well as a stamp in my old passport from crossing through the famous Checkpoint Charlie.

Until next time....

BRANCH 26,
MERRILLVILLE
By Helen Brooks

Sunday, June 5 Saxon Branch 26 held our meeting. We began with the Pledge of Allegiance to the flag. We had a nice turn out for the meeting. Roll Call of Officers all present and reports were made, accepted and approved. There was discussion about our outing to Cedar Lake in the near future. We will have more input at the next meeting.

Dan Schuffert and Randall Floyd gave a report on the meeting of officers. Interesting information was shared with all. It was good to have Richard Schuffert with us. We also welcomed Jason Smith and his family back.

The raffle was won by Dan Shuffert and attendance by Charlie Young. We played a game with Jana’s help that was very fun! After the meeting was adjourned, we enjoyed a variety of pizzas and fellowship,

Till we meet again!

Obesity drug
shows promise

Drugmaker Eli Lilly announced that in clinical trials for an experimental obesity drug, overweight and obese participants lost an average of 52 pounds, according to the New York Times. The drug, called tirzepatide, may offer a promising option for patients in the so-called treatment gap -- while they may be overweight or obese, they do not qualify for bariatric surgery or wish to avoid surgery for other reasons. The drug is another entry in the newest generation of obesity treatments that physicians hope will help people manage their weight more effectively without surgery.

BRANCH 27, NEW CASTLE
By Dolores Both

Branch 27 ladies met June 2, 2022 at the club. Vice President Jayne Fishovitz led the Pledge of Allegiance and opened the meeting. Roll call was taken and officers absent were Marie Benedict who had previous obligations and Doris Shenker who was under the weather. Our best get well wishes are sent to Doris.

Dolores Both and Helen Burick gave a report on the ATS Convention they attended on May 21 and 22. Many reports were given at the convention and delegates were brought up to date on current events and future plans. Our three delegates enjoyed the convention very much. It's amazing to learn how much energy and caring is put into our great organization by our officers at the helm. It was very enjoyable to meet up

with old friends and to make new friends too.

Dolores Both will check with FOUR Restaurant to see if we can have our summer picnic on their patio. She will also get the new schedule from the New Castle Playhouse so we may plan on going to one of the plays. Door prize winner was Linda Stoops.

Denny Ott brought us up to date on the men's Cash Bash to be held on July 16 at the grounds. We will let him know what we will do to participate in this event. It sounds pretty exciting with all the prizes and lots of good food that will be there. Tickets are \$30 and includes the food. Winners need not be present to win, they will be notified by phone.

Mark your calendar: Next meeting is Wednesday, July 6 at 3:30 at the club.

SALEM SAXON RETIREES
By Norma Byers

On Wednesday, June 1st, we met at Noon at the Saxon Club and our President, Lois Whitacre greeted all 16 people and we stood while Tony gave the invocation. Then, we all recited the Pledge of Allegiance to our beautiful flag. Oh, Tony is feeling much better, doesn't use his walker and he says his new knee is healing well. We are happy for Tony.

We had a delicious lunch prepared by Beverly and Cheryl. We had 3 different kinds of sandwiches on each plate and a delicious pasta salad and our choice of dessert: white cake or chocolate with a yummy green icing on both, plus a mandarin orange section on top of each. The variety was very good! Thanks!!

Ladies! President Whitacre brought our meeting to order and secretary Dianne Kuttler read the minutes from May,

followed by the financial report read by Katie Lederle.

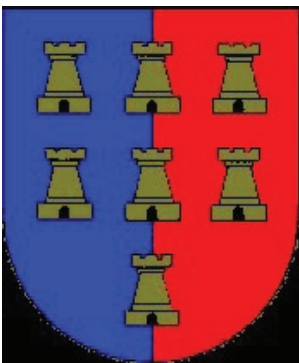

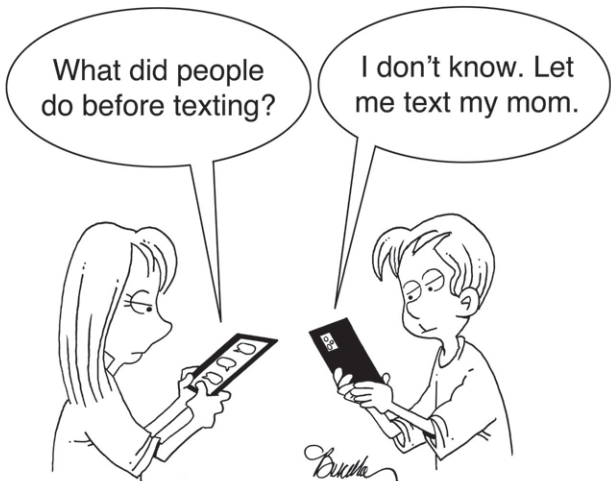

We were happy to sing "Happy Birthday" to 2 lovely ladies, Dora Lee Sandoe and Julie Davis.

No one on the sick list (thank you, GOD). Then we had the 50-50 drawing, that's always exciting hoping we'd win, (but seldom do)!

Helen Aeling never fails to cheer us up, so she read us humorous stories so we'd laugh and feel relaxed after our good, filling lunch. Thanks Helen!

Our President closed the meeting with the Lord's Prayer and then I got my second cup of coffee (regular) and we all looked at Tony bringing out the Bingo! Remember our next meeting is July 6th -- mark your calendars and if you are sick, please get well. Remember, stay well, see you then!

- They include:

- Rule 22: Shew not yourself glad at the misfortune of another, though he were your enemy.

- Rule 35: Let your discourse of business with men be short and comprehensive.
- Rule 38: In visiting the sick, do not presently play the physician if you be not knowing therein.
- Rule 49: Use no reproachful language against anyone, neither curse nor revile.
- Rule 56: Associate yourself with men of good quality if you esteem your own reputation. For ‘tis better to be alone than in bad company.
- Rule 70: Reprehend not the imperfections of others, for that belongs to parents, masters, and superiors.
- Rule 81: Be not curious to know the affairs of others; neither approach those that speak in private.
- Rule 110: Labor to keep alive in your breast that little spark of celestial fire called conscience.

All fireworks involve noise, but not all fireworks have explosions.

In recent years, the push for ‘silent fireworks’ has focused on the impact of fireworks on both people and animals.

The effect of loud explosions in fireworks can be devastating. Birds have a startle response that forces them up to the sky in numbers that can be

in one documented example, birds flew so far out to sea that they couldn’t get back to land.

In one case, fireworks in an Arkansas town killed 5,000 red-winged blackbirds, possibly because the sounds disoriented them and caused them to fly into houses a trees, according to The Hill.

Domestic animals show dramatic fear responses of shaking, running, cowering. That isn’t limited to dogs and cats. Pet guinea pigs and rabbits also have fear responses.

Fireworks don’t need explosions to be beautiful, experts say. In fact, the fireworks with the biggest booms aren’t necessarily the most beautiful.

What the ocean does for your head

You may love to go to the beach, but it isn't so much what you do there as what it does to you.

The beach boosts mood. That may sound a little obvious because many people like going to the beach, but it's more than the mood you bring to the beach. It's actually the beach and ocean and how they appeal to your sense of sight, sound, and smell.

The sound of the ocean actually changes brain waves and puts people into a mild meditative state, according to the American Association for the Advancement of Science.

The sight of the bright blue ocean transmits feelings of calm, peace and creativity.

And the smell of the ocean

FDA closes vaping loophole

The Food and Drug Administration (FDA) has closed a loophole that allowed vaping companies to avoid oversight for years, according to CNN. The federal spending bill enacted on March 15 gave the FDA the authority to regulate tobacco products with nicotine from any source. The liquids used in e-cigarettes -- called e-liquids or vape juice -- typically use lab-made synthetic nicotine instead of tobacco-derived nicotine, which allowed makers to evade scrutiny. With the new regulations, sales of vaping products are limited to adults over 21. Makers or sellers can't distribute free samples and cannot claim their products are safer than cigarettes without permission from the FDA. According to Centers for Disease Control and Prevention, 11.3 percent of high school students reported vaping in 2021.

breeze enhances that tranquil state, perhaps because of the negative ions in the air, according to the Journal of Alternative Complementary medicine.

Even the sensation of feet digging into warm sand relaxes people.

And of course, there is the placebo effect: We've been told the beach is relaxing and peaceful and we expect it to be.

Whole Life Insurance

What is it and why should I have it?

Whole Life Insurance covers you for exactly as it sounds—for your whole life. Contrast that with Term Life Insurance. Term insurance covers you for a set term. Once you reach that set term, the coverage is gone and you have basically rented that term insurance policy. While term insurance makes sense in some scenarios, the premiums will generally increase with age or coverage may decrease.

A Whole Life Insurance policy, by definition, is a contract that is guaranteed to remain in force for the insured's entire lifetime, provided the required premiums are paid.

Whole Life Insurance provides:

- ♦ guaranteed level premiums
- ♦ guaranteed death benefit
- ♦ guaranteed growth
- ♦ penalty-free access to cash with a loan against your policy
- ♦ tax free death benefit proceeds

An ATS Whole Life Insurance policy assures quick access to cash for your beneficiary. Life Insurance proceeds are paid directly to the beneficiary and are not part of your probate estate (unless you name your estate as the beneficiary). These Life Insurance proceeds can be used by your beneficiary to pay your final expenses, medical bills, loan or mortgage payments, or just everyday expenses that your family will incur without your income to pay for them. Whole Life Insurance is a financial asset and should be part of your financial plan.

The proper amount of life insurance depends upon your present and foreseeable future income, any circumstances affecting you and your family, and your existing budget for premiums. You will have peace of mind, knowing that you've done your best to take care of your family when you're gone. The ATS can help you achieve this peace of mind.

**If you don't pay for life insurance now,
your family will pay a lot more for it later!**

ATS Whole Life Insurance Plans:

- **Single Payment Life**—Only one premium pays this plan for life
- **Seven Payment Life**—Payments are made for only seven years
- **Twenty Payment Life**—Can complete premium payments during one's best earning years
- **Life Paid up at Age 65**—Premium payments are completed by retirement age
- **Whole Life**—Provides the maximum amount of permanent life insurance
