## CONGRATULATIONS GRADUATES 2016 SCHOLARSHIP WINNERS

See Page 6 for details

### BRANCH 2, ERIE By Lee Wolfe

Our regular meeting was held Sunday, June 19 at 2:30 p.m. We held a moment of silence for our deceased members Thomas Peck and Virginia Bukowski. Included in our prayers was Joanne Kurozewski who is on the sick list. Please note there will be NO MEETINGS in JULY or AUGUST. It was decided to use our Branch Sharing Check towards our October and January Dinners, Chi Party, Bowl Where You are and a donation to one of the Veteran's charities.

Liz Manning reported that the Convention held in May in Salem was very well run and organized. Everything was on time and President Manning did a good job conducting the meetings. Jim Mauch and Marie Benedict were given awards for bringing in the most new members. Mr. Gerhard Maroscher, who is a Transylvanian Saxon, spoke about his book "Why Can't Somebody Just Die Around Here!" Many thanks to Salem Branch 19 for hosting the Convention and for a job well done.

Maureen Nicholson attended the meeting and she wanted the members to know how very important it is for a student to receive a scholarship. No matter the amount of the scholarship, because any amount received helps and is much appreciated. Maureen is the daughter of Tom and Liz Manning.

Evidently my May column got lost in the shuffle, so I will put in this column some of the things that were in the May column. We held a moment of silence for deceased member Dot Floros. Our congratulations to Joan Miller-Malue who was elected National President at the recent Convention. President Manning received a watch for his past service. Our thanks to Tom for a job very well done. Two of our young members received ATS Scholarships, namely Aislin Shannon and Sarah Hess - each one was awarded a \$1000 award. Aislin is the granddaughter of Bill and Donna-lee Morschhauser and Sarah is the granddaughter of our beloved deceased members John and Mary Ann Hess. Congratulations to Joe VanDe Merwe and Tyler Van De Merwe who were winners in the Bowl Where You Are Tournament.

Belated Birthday greetings to our June celebrants some of who are : Valerie Pinczewski, Mary Cook, Evelyn Holdsworth, Augustine Italiani, George Cook, Tiffany Kaiser, Sue Goellner and Amelia Italiani.

Happy Birthday to our July celebrants some of who are: Gilda Carr, Mary Nemenz, Donald Whitehill, Grace Goellner, Ronald Di Santis, Wayne Morschhauser, Phyllis Pierce, Karli Goellner, Maryasa Martin Paul Garofalo, Danny Gorzynski, Florence Martin, Liz Manning, Barb Barthelmes, Ray Borgia, Gianna Italiani, Art Pinczewski and Connor Sprickman.

We hope our June couples had a nice anniversary: John and Elanie Crandal, 31 years; Ron and Bonnie Barthelmes, 37 years; Robert and Patricia Markham, 51 years; and Bill and Barb Barthelmes, 41 years.

A very happy anniversary to our July couples: Mr. and Mrs. Paul Williams, 46 years; Robert and Val Quinn, 48 years; Dr. Anthony and Jean Cilluffo, 48 years; Scott and Ann McLaughlin, 29 years; Merle and Phoebe Wood, 57 years; Vincent and Elva Vargo, 47 years; and Art and Val Pinczewski, 55 years.

Cleveland now has bragging rights as their Cavs took the NBA Championship. The Indians are in first place, so let us hope that they too will give Cleveland something to brag about. Lord knows it's about time and I have put in at least 70 years of hopes and prayers in them so I feel I deserve an Indian championship.

See you at the next meeting which will be held on Sunday, September 18 at 2:30 p.m. Take care and enjoy the summer and please don't say "jeez, it's hot!" as too soon you know what is coming.

### BRANCH 27, NEW CASTLE By Dolores Both

Branch 27 Picnic Thursday, July 7, at 5:00 p.m. at the club. Meat and tableware will be provided by Branch 27. Bring a covered dish or dessert.

A short meeting will follow the picnic.  
**Let Us Not Forget**

Let us not forget this 4th of July;  
What it means when the flag we fly.  
The men, women, and children too;  
Who fought for freedom for me and you.  
They gave their lives that we might stay;  
Free from the dictates of a country far away.  
The freedom of choice we enjoy today;  
Was won by others long passed away.  
And many have fought hard and brave;  
To keep us safe and freedom save.  
In America I'm glad to be;  
Where I enjoy such liberty.

An original poem by

## PRESIDENT'S MESSAGE

By Thomas J. Manning  
ATS Nat'l President

July is a great time for families to spend special time together. Even a long weekend at the beach or a visit to a great amusement park is perfect. I recall that Liz and I would plan a family vacation every summer for a week or so. Our kids still talk about those special times. It certainly helps to build strong family unity and lots of great memories. Everyone needs time away from their usual daily routine.

Very soon we will celebrate the 4th of July, our Independence Day. I hope that you celebrate that day with family members, friends, lots of good food, fun, and of course, fireworks. But it is also a day to remember that our forefathers fought for our independence. It now gives us our right to freedom of speech and choice of religion. Many lives were lost to earn these rights. Let us not forget them and also, why not fly our National Flag, Old Glory, in celebration.

As I am writing this column, it will be my last one as ATS National President. Most of you ATS members knew that I did not seek re-election at the last ATS Convention. I have been a member of the ATS National Board of Directors for the past 20+ years and I felt that it was time for me to retire. As it is often said, all good things must come to an end. I held the offices of Trustee, 3rd Vice-President, and my final eight years as National President. I gratefully thank all the members of the ATS for your confidence and support. During those twenty-some years, I have met and worked with some very great persons. I have become friends with Saxons from Europe, Canada, and of course, our own ATS local branch members here in the United States. These years have been very fulfilling and enjoyable. I cannot say enough good things about my fellow Board members, both past and present. I served with members who were very dedicated, loyal, and well informed about the business of the ATS.

Although I am retiring from the Board, I will still be active in the ATS and retain the position as president of Branch 2 in Erie, PA, and its ATS Deputy. I can't believe that this is my 209th column that I have written as president. Again, thank you for your support and confidence you gave me as president.

My final message to you is: Take care until next time and may God bless the members of the ATS.

**It's never too early to start  
saving for your retirement years**

**HAPPY 240TH BIRTHDAY,  
AMERICA!**

2017 SACHSENTREFFEN IN SIEBENBÜRGEN
“In der Welt zuhause, in Siebenbürgen daheim”

A special Sachsentreffen will be held in Hermannstadt, August 4 – 6, 2017 hoping to bring Saxon families from all over the world together to celebrate and experience our Transylvanian Saxon culture. Plans are being made to have concerts, exhibits, organ recitals, choral groups, folk dancers, and brass bands participate in the weekend festivities. There will be visits to the Bruckenthal and Sigerius museums. There will be parades and activities for the children.

The ATS is planning on organizing a trip to Transylvania to take part in this weekend celebration and also visit other areas of Transylvania. We plan on leaving on August 1 or 2 and return by August 13. (This is just tentative at this time) We are planning on one bus that will accommodate 40-45 people. If you are definitely interested in going on the trip, please email the ATS Home Office at office@atsaxons.com or call 440-842-8442.

Schloss Horneck needs OUR help!

Since 1960 Schloss Horneck has housed the Siebenbürger Museum, the Siebenbürger Library and Archive, the Siebenbürger-Institut and is the base for many Saxon organizations. A seniors home is also located on the property. Last September the Verband der Siebenbürger Sachsen in Deutschland purchased the property for one million Euro. Donations were received from individuals and organizations to help fund the purchase of the property. The purchase of Schloss Horneck gives the Siebenbürger Saxons throughout the world a central location where Saxon artifacts, books and other historical documents can be collected and stored to preserve our ethnic history for many years.

The Federation of Transylvanian Saxons is asking for donations from all Saxons and Saxon organizations to help in funding of this historical facility. If you are interested in giving a donation to help fund this project please complete the form below and send to the ATS Home Office, 5393 Pearl Road, Cleveland, OH 44129. Please make your check payable to the ATS.

BRANCH 26, MERRILLVILLE
By Helen Brooks

We gathered for a meeting on June 5 for Saxon Lodge Branch 26. President Randall Floyd called the meeting to order and the pledge to the flag was said. Roll Call of officers was held with Sam and Zita Palyak absent. The Minutes were read and a correction was made and approved and the Treasurers report was accepted. We have several sick members: Zita Palyok had surgery, Bertha Schuffert is recovering, Christa Guip and

Betty Mucha are in a nursing home for therapy. We wish them all a quick recovery. A reminder was made for the Rail Cats outing on June 12, open time is 1 p.m. Brigitte reported on the ATS Convention. It was voted on to make a donation to the Chicago Saxon Lodge for their anniversary. Youngstown is hosting the Saxon Heimattag and Brigitte and Randall will be attending. The bills were presented and accepted. The prize money was won by Pete

Guip and attendance was won by Jim Spence. The meeting adjourned and we enjoyed fellowship and a great meal and all those home baked goodies. Till we meet again..

Always go to other people's funerals, or they won't go to yours.

**BRANCH 33, CLEVELAND EAST**  
By Arline Krestel -Suts

Branch 33 Cleveland East held its membership banquet on May 22. Members enjoyed each other's company and a fabulous meal at Saint Noel's party center in Willoughby Hills.

To the right are President Ema Litschel presenting R. Austin Bonnett with the ATS continuing education scholarship he was awarded this year.

**Congratulations to Maria and Mike Thellmann (left) on their 56th Wedding anniversary, to Fred and Ingeborg Krestel on their 60th!**

**Hiding the Evidence**

On the Fourth of July, Tommy's family was having a barbecue. They also had a good supply of fireworks to shoot off later, even though they were illegal in their area. Imagine their surprise when their cousin showed up to the party with his neighbor, who turned out to be a local police chief.

Tommy's father, thinking quickly, whispered to Tommy to go hide the large bag of fireworks. After a few minutes, Tommy came back and winked

at his father, letting him know he had done what his father asked of him.

Tommy's father went out back to start the gas grill and using the ignition switch, quickly got the grill going without even lifting the lid. He went back inside, leaned over to Tommy and said, "That was close. That man is a police officer, and he almost busted us. Did you hide them real well?"

"Yup," said Tommy. "No-body will look in the grill!"

BRANCH 5, LORAIN  
By Michael Johnson

The first joint meeting of Branches 5 and 11 on June 4 was the start of a new beginning for the First Transylvanian Saxon Sick Benefit Society of Lorain, Ohio, Branch 5 of the Alliance of Transylvanian Saxons. Still occupying the same meeting room at the American Slovak Club; which is large enough to accommodate all members of each branch, we began the evening with a carry in chicken paprikash dinner. Thank you to the ladies who made and brought in dessert to complete the meal.

Though the meeting was able to be started earlier than the usual 8 p.m. time, it would turn out to be a late evening due to the first reading of the newly reworded constitution. With both branches having similar constitutions, and the merger committee made up of members from both, they’ve had the arduous task of blending the two to read as one. There are yet two more meetings with two more readings before it can be accepted and voted on to become the final system of principles by which our society governs itself.

Perhaps if you’ve not been to a meeting in a long time, mark your calendar to join us on Saturday July 9, 2016 at 5 p.m for dinner first, followed by our monthly meeting. We will again meet in the same meeting room at The American Slovak Club, 2915 Broadway Ave. Lorain, Ohio.

## BRANCH 30, YOUNGSTOWN

By Tom Fizet

News from the West Coast; If you did not attend the Heimattag in Youngstown, you missed a great Saxon Homecoming, "Heimattag". Now for the rest of that story: The volunteer members of Branch 22 and 30 really worked hard to present the building, the grounds and the personnel exquisitely to the ATS officers and all ATS members and friends. The members of Branch 22 and 30 should be complimented for the showing at the Heimattag!! If you didn't remember, catch the next one.

When you plan to go out for a meal or a drink remember the Saxon Club, read the Youngstown Saxon Club News and the *Volksblatt* to know what is happening. For example,

Friday, July 15, Parmesan garlic crusted Haddock is on the menu.

Sunday, September 11, Officers meeting and the Annual Speck Fry in the Pavilion and outside Patio. Just to get your interests up and thinking.

Something new for July and August: Home style on Wednesdays, July 13, Chicken francoise, August 10, Pepper Steak over Rice, try it, August 24, Stuffed cabbage, it's your choice.

Keep your eye on the *Volksblatt*, all activities of the ATS and all local branches are listed and look for the promotional ads they are very helpful.

Coming soon to Youngstown:

July 4th, Club is closed. Show your support or this great land and your fellow Americans and see a parade or join in on a parade, do something patriotic with your family.

July 9th, Saxon Club vs Maennerchor Golf Outing

July 10, Branch 22 and 30 meet at 2 PM. attend the monthly meetings to be able to nominate or run

or vote for the new officers in November.

July 14th, Retirees meet.

July 24th, Saxon Day Picnic, get the full info from the *Volksblatt*.

Come down and join in the fun on Sunday Evenings. Bingo can use players, if you don't like to play, volunteers or helpers are always needed. Barry said that they can and would be happy to have as many helpers as come down. Make this your Saxon Club, every one who does their part will see that they make a difference.

I think I have it right this time; Marie Stacey in conjunction with Branch 22 is maintaining the Memorial Garden in front of the Club and around the flag pole. For any Flower Garden member, or any one who just loves the outside and cares to keep flowers looking great, and kibitz together, this is a great thing to be a part of. Contact Marie at 330-799-0120 or 330-502-5035 or the Club office at 330-792-7973.

If anyone who is a member of the Youngstown Saxon Club can say this is my Club and be proud of it know that it takes more than monthly dues to make it function. It takes some extra time from all the members to do repairs, replacements, cleaning (inside and out) and just about any type of profession that we all have, just be willing to say count on me, tell me when you need some assistance. The phone number is the same 330-792-7973. Thanks in anticipation of your response.

So Goes the News.

## YOUNGSTOWN SAXON RETIREES

By Teri Laret

The following are the minutes of the Youngstown Saxon Retirees meeting held on June 9 at 710 S. Meridian Road. We are gathering in the Annex this month; we like it here. It's sunny and nicely set up and quiet, except for us and besides we have our own waitress.

It's noon so let's get started. First and most important is our prayer to God. We pray for ourselves, our loved ones, and those who talk to Him face to face. We pledge our loyalty to our nations flag with hands over our hearts in word and song.

Tillie Stefanick and Susan Mraz put their heads together to make this day worth remembering.

Let's get down to business... We welcome some new faces, Gueni Parks is back again and so is Julia Roberto with her sister. Your eyes are not playing tricks on you. She and her sister, Chris Liedt, are twins even their movements and smiles are identical. We are introducing to you Jean Keller. Jean heard of our group and decided to check us out. Are we doing OK? Will you be back with us next month?

Speaking of next month, the Dundon family is planning our July meeting. By now all should know our routine, a change in our reservation list? Call (330) 726-6851.

There is an empty chair at table #3, Gertie we miss you. Please smile down on us from your new chair in heaven while you are dining with the Lord.

There are four June birthday babies: Joan Cummings, Jim Dundon, Marge Teutsch and Hermine Gentile: Happy, Happy, Happy birthday to you and you and you and you and many, many, many, more!

Enough of this gibberish, Teri Laret, Secretary, read the minutes of the last meeting, as she did. Ro Dundon gave her update status of the monies on hand, one of the membership account and the other of the liquid account. All have been approved by the 19 members present.

As we all know our Youngstown Saxons are hosting the ATS Heimattag June 24-25-26. Our retirees have been asked for help in preparing for this special event. It wouldn't be too wise for any of our members to get on ladders or knees at this stage of the game. We could help financially, all agreed. Now how much? There were several suggestions and after a show of hands an amount was agreed upon. Our Treasurer is writing a check from the Retirees as we speak. It should buy a lot of scrub rags and floor mops. We are all so proud of our club house here, it's one in a million, agree?

Raffle time and here are the lucky winners Lisa, Gweni?, Julie and Cindy. No last names necessary here among friends, we know each other and they all know us by now.

That's all folks. So ein Tag...

**We remember our Sisters and Brothers who have departed this life in recent days. Our sincere sympathy is extended to the members of the bereaved families.**

## New findings on coping with lactose intolerance

People who suffer from lactose intolerance often needlessly avoid dairy products, according to the National Institutes of Health.

About 30 million Americans are deficient in the enzyme lactase, causing a condition called lactose intolerance. It can cause bloating, cramps, flatulence, diarrhea, stomach ache, even nausea.

Previously, it was thought that avoiding dairy products was the only way to avoid the symptoms. That meant the people didn't get such nutrients as calcium, protein, magnesium, potassium, zinc, and phosphorous, more of which are found in dairy products than others.

A National Institutes of Health study shows that 8 ounces of milk, small helpings of yogurt, and hard cheese, particularly if eaten with other foods throughout the day, may effectively manage symptoms.

NIH recommends starting with small amounts of dairy -- one-fourth cup to one-half cup of milk with meals. Chocolate milk is also an alternative to unflavored white milk. Some say that it is easier to digest.

Many find that Low-lactose cheeses are acceptable small servings. Try Swiss, Colby, Monterey Jack, and mozzarella.

Finally, don't avoid dairy because of a self-diagnosis of lactose intolerance. See your doctor.

## Census: The kids want to live with parents

Census data show 18-to-34-year-olds would rather live with parents than start their own households.

Census data won't tell us why. Are they less romantic? Can't find a job or hold one? Have they just decided not to live on their own until they reach 35? Or do they just want help to pay off student loans. A study by Pew Research Center is delving into the situation.

It was in 2014 when living with parents (32.1 percent)

passed living with a romantic partner (31.6 percent) as the top arrangement among young adults. The rest lived alone, with roommates or as single parents. It was the first time since 1880 that so many decided to live with their parents.

The researchers said there was a dramatic drop in the share of young Americans choosing to settle down romantically before age 35 or with a spouse or partner. For whatever reason forming a new family is not nearly as important as it used to

be for young adults, according to Richard Fry, senior researcher at the think tank.

He found that half those 18 to 34 were living with their parents while 25 percent of those 25 to 29 were. But both groups were much more likely to live at home in 2014 than in 1960.

Apparently, the young adults and their parents get along pretty well and often share the young person's goals.

## July 6, 1957: Musical Meeting

Who knows what would have happened if Paul McCartney had a dentist appointment on July 6, 1957? But it so happens the 15-year-old was free to see the Quarrymen led by John Lennon, 17. The teens evidently liked the vibe and later created the most iconic band of the 20th century: The Beatles.

Jacob's original major was en-
listed as nursing, but after two
years of classes and clinical
experience, he realized this
was not the best fit for him. He
is currently signed up for a full
term coming this fall as an ac-
counting major.

Kyle Burns is a rising soph-
omore at Penn State Erie. He
is studying Computer Science
with a minor in Game Devel-
opment. He is a writer for the
Behrend Beacon and currently
the Secretary for the Alpha Phi
Omega service fraternity. This
upcoming year he is also a
Resident Assistant over fresh-
man on campus. Kyle is a Sil-
ver, Silver Palm Eagle Scout,
and he graduated Summa Cum
Laude at Canon McMillan High
School. He currently has a
part-time job at Dunkin' Donuts
and in his free time he enjoys
playing guitar and PS4, and
hanging out with his friends, as
well as traveling with his fam-
ily.

Kristen Burns will be en-
tering her Junior year at Mer-
cyhurst University studying
Art Therapy/Clinical Psychol-
ogy. Her interest and devel-
oped skills in art won her the
distinguished honor of a Gold
Key in her local Scholastic Arts
and Writing completion, and
a Silver Medal at the national
level her senior year in high
school. She was inducted into
the National Honor Society
and Spanish National Honor
Society in high school and the
Collegiate National Honor So-
ciety in her freshman year at
Mercyhurst. Additionally, she
has consistently been placed
on the Dean's List for every
semester. Kristen enjoys trav-
eling and has mulled to the
bottom of the Grand Canyon,
AZ, scaled the high peak of
Algonquin in the /Adirondack
Mountains, NY, and even hiked
in Denali national Park around
Mt. McKinley in Alaska. Along
with hiking she enjoys playing
her flute, creating art, reading,
swimming, music and working
with Habitat for Humanity. For
the past 4 years she has been
a lifeguard at the community
pool. However, she is spend-
ing this summer as the Art
Director for Bradford Woods
Summer Recreation Therapy
Program in Indiana.

Robert Bonnett will be en-
tering his senior year at the
University of Akron. He is cur-
rently in the School of Busi-
ness, studying for his Bachelor
of Organizational Supervision
degree. He is learning how
to become a better leader and
plans to put these new skills
to work when he graduates.
He graduated from Bay High
School in 2013 and received an
Associate of Arts degree from
Lorain County Community Col-

lege in 2014. Robert's other
accomplishments include be-
coming an Eagle Scout in 2011
and receiving the Phi Theta
Kappa Award in 2013. His
main interests are history (US
Presidents, medieval and cul-
tural) and sports (motorsports,
basketball, and boxing).

Mackenzie Mulligan will be
entering her senior year in the
nursing program at Kent State
University in Salem, Ohio. She
is a member of the Students of
Professional Nursing Organi-
zation and the Delta Xi Chap-
ter of Sigma Theta Tau Interna-
tional Honor Society of Nursing
at the University. She words
as a Nurse's Assistant for St.
Elizabeth Youngstown Hospi-
tal and after finishing her BSN
at Kent State, she plans to go
on to become an Acute Care
Nurse Practitioner. Besides
nursing, her passions/hobbies
are volleyball and crafts. She
has coached Junior Olympic
and High School Volleyball
and plans to continue doing so
in the future. In her free time,
she enjoys sketching and chal-
lenging herself with the task of
attempting a new craft.

Richard Gal will be entering
his junior year of Mechanical
Engineering at Florida State
University. He hobbies include
golf, volleyball, and tennis. He
also plays guitar at church ev-
ery Sunday. Richard is a die-
hard Cleveland Indians fan and
Buckeyes fan!

Noah Schuster is currently
attending The Ohio State Uni-
versity and will begin his fourth
year there in the fall. He is
studying civil engineering and
chose this major because it is
very challenging and pushes
him to be the best student he
can be. Besides school, he
is also interested in playing
sports. Noah is part of intra-
mural hockey and volleyball
teams during the school year.
These sports offer a great
distraction from the stresses
of school, and help keep him
healthy and in shape.

Joshua Fromel is currently
a sophomore Electrical Engi-
neering major with a Biomed-
ical Option at Youngstown State
University. He wishes to pur-
sue a career in the engineering
field, or attend dental school
after graduating. He prides
himself in getting very involved
on campus, volunteering, and
earning high marks in the
classroom. Josh has many in-
terests and hobbies that keep
him busy outside of school.
He enjoys playing and watch-
ing basketball, spending time
with friends, learning about in-
vesting, and toying with his 3D
printer.

## Your Horoscope

### July

**Aries:** You’ve been shooting off fireworks away from work because it’s July. Don’t get used to it. It’s also an excellent month to avoid verbal explosions.

**Taurus:** At conventions and company meetings, be ready with interesting conversational topics. You’ll be remembered for your wide general knowledge.

**Gemini:** Today might seem like a mundane, routine time. But step back and observe it. Today could just be a beautiful, normal day.

**Cancer:** It feels like a while since you had a profound realization, so get ready for a series of breakthrough thoughts. They may come to you in threes so get ready.

**Leo:** A truly new idea should be savored and optimized. Start building the energy that you’ll need to promote it and overcome setbacks and obstacles.

**Virgo:** With your improved communication skills, you are starting to make inroads in areas formerly closed to you. Think about the benefits of good will and cooperation.

**Libra:** If you are searching for your soul mate, or a renewed relationship, this month you won’t lack the personal magnetism to capture and retain that person’s attention.

**Scorpio:** A new project is coming to you. It could test your patience and talents, but co-workers stand ready to give the assistance you’ll need. Don’t try to do it alone.

**Sagittarius:** You will be caught up in differences of viewpoint, which could compromise your information sharing. Take care not to provoke clashes with co-workers.

**Capricorn:** You know how to downplay your advantages in order to get things done. You won’t need to apply any special pressure or persuasion to get what you need.

**Aquarius:** July and August bring a sense of a sense of acceptance and recognition. You look set to be the recipient of appreciation for your contributions.

**Pisces:** First there is an idea; then there is a plan and at some stage other people will have to come on board, or at least act as sounding boards. It is time to share.

## July is National Hot Dog Month The Perfect Hot Dog

Hot dogs are probably the best picnic and family gathering food ever because everyone from the grade schoolers to grandpa loves them.

If you love hot dogs, and you want the very best, tastiest hot dog for your summer fun, experts agree that temperature is the most important consideration. Hot dogs must be hot enough but not too hot.

According to Nick Kindelsperger, writing for epicurious.com, the optimum temperature for a hot dog is between 150 and 160 degrees. The temperature is key because hot dogs cooked at under 140 degrees will be spongy and dull tasting. Cooked over 165 degrees, they get bloated and quickly start to dry out.

Kindelsperger advises a two-step process: poach and grill. Heat up water in a saucepan to 155 degrees. That is under the boiling point, which is 212 degrees. Then, drop the heat to low. Put in the franks and wait 10 minutes and you get the perfectly heated hot dog. But it’s not grilled. So, quickly put them on a hot grill. In a few

seconds, they will have a nice color. Perfection achieved. Remove instantly.

Oscar Mayer recommends dropping the 10 hot dogs into boiling water; return to boil and cover. Remove from heat. Let stand 7 minutes or until the hot dogs are heated through.

Get creative with condiments, if you wish: Yellow, Dijon or brown spicy mustard, ketchup, mayo, chutney, BBQ, Creole or chili sauce. Sauerkraut, sweet pickle relish, cornichons, dill slices, jalapenos, sliced or diced peppers. Grated cheddar, feta, blue, goat or nacho cheese, sour cream.

According to Nielsen data, Americans bought 1 billion pounds of hot dogs in retail stores last year. The National Hot Dog and Sausage Council (NHDSC) estimates we’ll consume 150 million hot dogs during the 3-day July 4th weekend, 7 billion between Memorial Day and Labor Day, and more than 19.4 million at ballpark concession stands during the 2016 Major League baseball season.

# Happy 4<sup>TH</sup> of JULY

## Facts We Should Know About the 4th of July

- July 4th is Independence Day or also known as America's birthday in the United States.
- We celebrate the 4th of July because it represents the day that America became separate from British rule.
- Under British rule the Colonists were unhappy with British government. They felt they were unfairly taxed and had no vote on the laws that affected them.
- The colonists decided to write a document announcing they were no longer part of the British government and they were going to be a new nation called the United States of America.
- This document is known as the Declaration of Independence.
- On July 4th 1776 the Declaration of Independence was signed giving the United States independence from Great Britain.
- The first person to sign the Declaration of Independence was John Hancock.
- The Declaration of Independence was written on July 2nd 1776.
- Thomas Jefferson is credited for writing the Declaration of Independence. However the Committee of Five (Benjamin Franklin, John Adams, Thomas Jefferson, Roger Sherman and Robert Livingston) were all involved with the final draft of the Declaration of Independence.
- The Declaration of Independence was signed by 56 men representing the 13 colonies.
- The 13 colonies were: New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, North Carolina, South Carolina, and Georgia.
- The Declaration of Independence was written during the American Revolutionary War (1775-1783).
- Did you know that when the United States gained independence the population of the country was around 2.5 million. Today the population is around 304 million.
- The first event celebrating the 4th of July at the White House was in 1801.
- **So why do we celebrate the 4th of July with parades, fireworks and BBQ? Many believe that it has to do with a letter John Adams wrote to his wife Abigail on July 2nd 1776 about America's Independence. In the letter he wrote " The day will be most memorable in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be solemnized with pomp and parade, bonfire and illuminations (fireworks) from one end of the continent to the other, from this time forward and forever more."**
