Issue 4

BRANCH 5, LORAIN By Michael Johnson

Our February meeting went well this month, even though we started later than usual. The Joint Committee meeting for the 2014 ATS Convention went a little longer than intended, but there were many items to discuss. Michael Johnson was nominated Chairperson and Brian Gilles was nominated as Secretary/ Treasurer. The most important topic was the location of the convention. This is a decision with a lot of details to be considered. Many places local, as well as south, east and west of Lorain have been researched, but no definite place has been decided on yet. A detailed planning sheet was given to each person who attended, that listed many of the things that the host branch would be responsible to take care of. Be prepared to help if you get a call from a committee person, we're going to need it. There is much to do. There will be another "brain storming session" for the committee members Sunday, February 17th, at 2:00 P.M. at Jeanne Petty's home, 3728 Ivanhoe Dr. Lorain. Bring a snack to share and some beverage of choice.

In correspondence this month, we received a letter from the Home Office letting us know that the Cleveland Saxon Dance Group, made a donation to The Saxon Relief Fund in memory of my grandmother and sister member of Branch 11, Katherine Thompson. It's these acts of thoughtfulness displayed that shows the strength of our Saxon Brotherhood.

In light of that, a motion was made and passed, to move our March meeting to 6:00 P.M. Saturday, March 9th, 2013 at the Slovak Club, in order that we may attend the Cleveland Saxon Dance Group's 3rd Annual Chili Cook-off Fundraiser on Saturday, March 2, 2013 at 7:00 P.M. This in fact will take the place of our pre meeting dinner we normally have at Chris' Restaurant. The Ladies of Branch 11 have also changed their meeting night to the same date and time so that they too can go to the Chili Cook-off. Men, your ticket is covered, but you need to let me know by February 24th if you plan to go, so I can make the reservation. Also, let me know if you need a ride there. Don't let, "not wanting to drive that far" be the reason you miss out on this fun night. Call Michael Johnson at 440-324-2534 and leave your name and phone number on the answering machine. I'll call you back to confirm your reservation. Also check out the announcement for this event in your *Volksblatt*, you may even want to enter your own special chili!

The picnic committee is still working out details for the end of summer Branch 5 and Branch 11 picnic. There may be something slightly different being planned,

stay tuned.

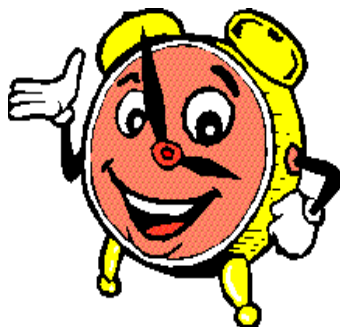

Thankfully there is no one in need at this time for any Sick Benefits. Instead, we say Happy Birthday to our Brothers John Binder, Brian Long, William Kirschner, and Andrew Schuffert who will be 90 years young on Feb. 26, 2013. "You go Andy!"

In closing, President George Schneider wished everyone a Happy Valentine's Day. Be sure to tune your Radio Dial to AM 1380 The Kool Kat every Sunday afternoon from 1-3 P.M. and catch George as he hosts the German Radio Hour.

Branch 5 Junior Saxon Member News

The "Bowl Where You Are" forms have been sent out to our junior members and we wish you good bowling as you compete in your age group. Be sure to fill out your score sheet and send it to the home office. Branch 5 will cover the cost of your games and your shoe rental. Just send a legible copy of your receipts with your name and phone number to our youth representative, Ned Jones, 2817 Utica Ave. Lorain, OH. 44052.

We want to wish our junior members Connor Hochevar, and Jenna Peters, both of whom are celebrating a Birthday this month, a very Happy Birthday!

PRESIDENT'S MESSAGE

By Thomas J. Manning
ATS Nat'l President

This is the time when it is very important that our high school seniors who plan on attending college next fall submit an application for an ATS Scholarship Award. Students who are already in college are eligible to apply for a Continuing Education Award. Completed applications must be submitted to the Home Office by March 15, 2013. All of the Scholarship information is printed in the *Volksblatt*. Considering the cost of a college education, every bit of financial help is appreciated by the students and their parents. We wish good luck to all who apply.

Here is the weather update from Erie. It has not stopped snowing since I wrote my previous article. My good friend and past ATS Trustee, Neil Stertzbach, phoned and he joked with me about my earlier articles. It is good to know that everyone is reading the *Volksblatt*. I guess that everyone in this part of the country had already had more than enough snow and frigid temperatures and many of us have thoughts of moving to warmer climates.

This is the time of year when we file our income tax returns for 2012. When you get your refund why not consider purchasing an ATS Life Insurance Policy of Annuity or adding to your current Annuity. The ATS offers many options for Life Insurance and our Annuity rates remain a very good investment. An ATS Annuity is also a very good investment for children and can be purchased for a minimum of \$150 from birth to the age of 15 years. This is a great savings or college fund for a child.

Quote of the day: "Ideals are like the stars; we never reach them, but like the mariners of the sea, we chart our course by them." We shouldn't become frustrated because we are never quite as good as we'd like to be--or that the world never lives up to our expectations. We will never reach all of our ideals. But we still need to have ideals to make working towards them our life's mission. Without ideals, we would have nothing to strive for. I may never be as good as I would like to be, but I will always strive to get closer to my ideal self.

Take care until next time and may God bless the members of the ATS.

Eileen Mauch, Darlene Nischwitz, Marianne Sawicki and Marie Bachinger. Celebrating anniversaries are Robin Fotiuk and Eva Karsti.

Expressions of sympathy were sent to Marianne DeRaub, Virginia Williams, Thelma Kosik, Janet Clegg and Joan Blauhock; get wells went to Marge Artz and Geri Perrine and thinking of you's went to Myrna Strange and Min Haner.

Please send your dues to Betty Garhammer, 969 Canfield Rd. Youngstown OH 44515, our new financial secretary in the amount of the slight, new increase to \$24.00. To send in the correct amount is truly appreciated.

Branch 22 Scholarships to YSU are available for next year and we invite you to apply now. This is for members in good standing, having been a member of Br. 22 or Br. 30 for at least three years. There is no upper age limit, and it is not just for high school seniors who are about to graduate. Please apply now -- the deadline is April 15, 2013. You may get the application forms at Branch 22 meetings or from Hildegard Dunkerley, chairperson, at 330-792-6442 or Rosemarie Kascher. Please check the rules and guidelines as those are the ones to follow.

May you have a happy and healthy month.

So Goes the News

Unfinished business: Each year our club votes on five charities we would like to support and encourage and the winners this past year were: Saxon Relief Fund, Lutheran World Relief, Ronald McDonald House, Make-A-Wish Foundation and St. Jude's Children's Research Hospital. We do try to vary the many worthy causes and know they appreciate any help we can offer.

Good News: Our congratulations to Erika Brooker, the granddaughter of Regina Kellner, who graduated from Ohio State University as a registered nurse on February 8. We wish her much success and fulfillment in her chosen career.

Get well wishes to Mary Lochner, Sara Brown, Sara Kalweiner and John Karst. We hope you will be feeling 100% again very soon.

Happy Anniversary to Dorothea and Martin Hesch, who will celebrate 52 years of wedded bliss on February 11, and congrats to Martin again for winning the January meeting attendance prize.

Our monthly meeting will be at 1:00 p.m. on Monday, February 18 at the MCL Cafeteria. We hope the weather will be kind to us that day so plan to be with us.

ATS GENEALOGY
MESSAGE BOARD

Many of our members are interested in tracing their family history and have often contacted the ATS Office for help. We do not have the records to help in tracing your family tree, but we can offer you a place to ask for help from other members. Under this column, you can submit a short paragraph requesting help in searching for family members. When possible be specific on names, places and dates. Send your short request to the ATS Home Office, 5393 Pearl Road, Cleveland, OH 44129 or email us at office@atsaxons.com. Include your name, email and/or phone number that you want listed in the Volksblatt that members may contact you directly.

I am interested in finding out where in Transylvania my grandmother came from and/or where she was born and when she left to come to the United States. She, Susanna Blam, was born 4-16-1880 in Transylvania. She married our grandfather on May 9, 1903 at the Emanuel Lutheran Church in Salem, Ohio. Her address remained Salem, Ohio. She passed away 3-4-60.
(My Dad and aunts and uncles are deceased, however, the story was, she left Transylvania with a girlfriend when she was 16, came into Ellis Island and ended up in Cleveland Ohio where she lived until she met and married my grandfather). We know she had a brother, Mike Blam, who also came to the US at some point, who lived in Martins Ferry, Ohio. I do not have his birth date. I was told their parents’ names were Mike and Susanna Blam, and as far as I know they remained in Transylvania.

I have looked at the Ellis Island passenger records. The only name that is remotely close to Susanna Blam is Susa Blam, age 21 from Grossau, Hungary, ship Koenigin Luise, Port of Departiere - Bremen, Manifest Line # -0024. Arrived at Ellis Island Feb. 27, 1903.

My grandfather, Paul Drotleff, was born 3-7-1877 to Paul Drotleff and Sofia Nementz Drotleff. According to his obituary, he came to the US in 1898. He was a member of the Emanuel Lutheran Church, Salem, Ohio, a member of the Transylvanian Saxon Society and the German Beneficial Union. He died and was buried in Salem 5-17-1938. He had a brother, John Drotleff, born 10-6-1887, died 1-4-1944. He also had a brother named Andrew Drotleff who died in 1961 and possibly a brother named George Drotleff, born in 1881. His parents, my great grand parents, Paul Drotleff and Sofia Nementz Drotleff, are buried at Hope Cemetery, Salem Ohio. Inscribed in their head stone is Reichesdorf. A distant cousin has done some investigation on John Drotleff on ancestry.com. It lists my great grandfather, Paul Drotleff as being born 1848 in Reichesdorf, Sieberburgen Transylvania Austria, Hungary and my great grandmother, Sofia Nementz Drotleff as being born 1854, also in Reichesdorf Siebengurgen, Transylvania Austria, Hungary. It also lists her arriving in NY in 1899 at the age of 45. I have yet to find any passenger records for Paul, Sofia, Paul, John, Andrew or George.

I would like to confirm where in Transylvania my grandfather was from and the date he came to the US if possible.

Also, does anyone have a detailed map of Transylvania prior to 1900 that they wouldn’t mind sharing with me or anyone that can tell me where I might search for one?

Judy K. Haller-Kuklock - jkhk222@yahoo.com.

Seeking information on Joe (1889-1967) and Mitzi (1895-1977) Kamilli, originally from Schaessburg, who moved to Detroit from Alliance, Ohio in the 1930s; also their daughter Annamarie Kamilli (1921-1987.) Joe was related to my grandfather, Wilhelm Kamilli, from Schaessburg or Eppe-schdorf. Also seeking information on Waldemar Froehlich, from Kronstadt, who may still be living in Romania or Germany - he would be my mother’s cousin.

We hope more of our young members will enter as I understand that the Art Kits are really a nice prize.

A very Happy Birthday to our March babies, some of whom are: Ronald J. Uglov, Skylar M. Sutton, Michael D. Shannon; John J. Mc Carthy, Dr. Joseph Semple, Margaret E. Carr, William Morschhauser, Anne Czenerych, Wilma S. Bell, Kayleigh A. Peck, Eileen A. Reed, William Benkart, Brody A. Matson, Ronald E. Lethaby, Aidan Cash, Val Billie, Logan R. Wagner, Kyle Wegelin, Donald Ziegler, Sarah Addessi, Vincent Brizuela, Mary Ann Hess, Robert Bauer, John E. Mills, Thomas R. Peck, and Brandon Sieber.

A very Happy Anniversary to our March couples: Donald & Judith Nordin, 51 years; James & Kathleen Kwiatkowski, 42 years; and Marc and Marjorie Koehlert, 19 years.

You all have our very best wishes for a wonderful day.

Well, it appears that Old Man Winter got tired of being "Mr. Nice Guy" to Erie, therefore he let loose with a lot of snow. We can't complain too much, because he was pretty nice to us for quite awhile. Before we know it, we will be mowing our lawns instead of shoveling snow.

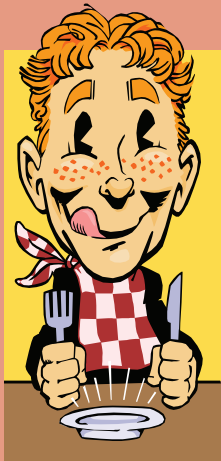

Take care, stay warm and I will see you at the March meeting.

PAN-AMERICAN EXHIBITION ANTIQUE QUILT

Last year I was asked if I had an antique quilt to exhibit and provide the history for a local museum display. I pulled my antique quilt out and looked it over. I realized that I didn't know much about it once I laid it across the bed. So I started in with researching and Ancestry.com helped me make some of the connections. First, I talked with my aunt to get the family story about it so here goes....

The quilt is red work embroidery blocks that were purchased at the Pan-American Exposition held in Buffalo, NY 1901. My aunt said that my great, great grandmother, Cora Miller (no relation to my family) and my great grandmother, Mary Beatrice Miller (her daughter) attended the Expo. We believe that both of them worked on the blocks while Mary Beatrice lived at home in Chautauqua County, NY. At some point, she met and married my great grandfather, Philip Schweikart, who was a lumberman originally from Emporium, PA but was working in West Virginia. When my grandmother, Cora Schweikart was born in 1907, Mary Beatrice died in childbirth. Philip couldn't care for a baby in a lumber camp of West Virginia, so he brought my grandmother to his parents in Emporium and they raised her. My grandmother visited her Grandmother Miller from time to time as she lived in the Falconer/Jamestown, NY area.

My aunt remembers those visits as on one of them, Cora Miller gave my grandmother, Cora Schweikart Miller, the completed quilt top as a gift from the two women (Cora and Mary Beatrice). My grandmother finished the quilt by doing the quilting. It was one of a few items that my grandmother treasured as she had so few keepsakes from her own mother.

Recently, while researching on Ancestry.com, I found a grandson of Philip Schwiekart from his second family he had in West Virginia. The grandson had no idea that his mother had a half-sister (my grandmother, Cora Schwiekart Miller) but I was amazed to make the connection with relatives in West Virginia.

My grandmother and aunt

both wanted me to have that quilt since my mom taught me to sew and embroidery as a child. In the past couple years, I have learned to quilt and really appreciate the work all three women did to complete it. Now I have a legacy stretching five generations of women, all quilters, treasuring the work of my ancestors started 111 years ago. I find it truly amazing to locate distant relatives as well as folks long gone through the power of documents both digitized and original. I don't think I would have ever known so much about my family if the request for the quilt exhibit hadn't pushed me to find out who made it, when, etc.

Staying Well Dance your way to better brain power

Everyone now knows that the exercise you get from dancing is good for your bones and your heart. If you've been putting off getting back to the dance floor, here's one more reason to start dancing again.

It can build your brain power!

A study published in the Journal of Sports Science and Medicine shows that dancing twice a week for six months increases memory and cognitive function, especially among adults at risk for cardiovascular disease.

Dancing is different from other types of exercise that produce some of the same benefits. It's better because it's easier on the joints and doesn't cause injuries like exercises and jogging.

It has one other benefit. It can increase social skills, which experts quoted in Health say is also good for your brain.

You can enrich your life with music, for a second or third time

Often mid-lifers feel the need for "something new" in their lives. At age 55+, some buy a sports car, move to another city or get married again...to a person who is years younger than they are.

But putting music back into your life could be a more satisfying and less dangerous pursuit. It doesn't matter whether you had piano lessons at age 9 or learned to play the guitar at age 20, revisiting music can bring remarkable benefits to you.

Maybe you were a great blossoming musician whose keyboarding turned into computer use a few decades ago. Or maybe you're someone who just enjoyed playing music before. But if you're like many others who tried it, going back to music now can be just

the thing to make your sagging spirits joyful again.

You'll need a teacher, but you can find one at a music school, a community center or a music store. You can try web-based programs, but an actual teacher is better. He or she will help you develop modern skills and pleasantly correct your mistakes.

Don't attack the music. Slow down, not as in old age, but to ease the pace and help you focus. It's good practice for your mind and a way to savor the sounds of the music. The scheduled and unscheduled practice time is not only good for your brain, as it reduces memory loss, but it's good for keeping your fingers nimble and for reducing stress.

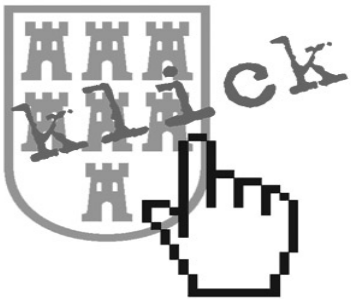

Remember that the main reason to stay close to music, at any age, is to have fun.

The Lighter Side
Calm in our lives

Dr. Phil proclaimed, "The way to achieve inner peace is to finish all the things you have started and have never finished."

So, I looked around my house to see all the things I started and hadn't finished. Before leaving the house this morning, I finished off a bottle of merlot, a bottle of Bailey's Irish Cream, a bottle of Kahlua, a package of Oreos, the remainder of my old Prozac prescription, the rest of the cheesecake, some Doritos, a box of chocolates and the rest of my half-gallon of Blue Bell Vanilla Bean ice-cream.

meeting will be Saturday, March 9 at 6pm at the Slovak Home. The next convention planning meeting will be Sunday, February 17 at 2pm at Jeanne Petty's house.

**Start Saving
for your retirement years**

**Are Your Children, Grandchildren,
Nieces and Nephews Members of the
Alliance of Transylvanian Saxons?**

**Let them benefit from our Fraternal Program
And be a part of our History**

Let your children take an active part in our fraternal program and enjoy the benefits of being a member. They will be invited to participate in the various national youth activities. They will benefit from the local activities in their local Branch. They will be eligible for scholarships and other fraternal benefits that include child and orphan benefits. They will experience the importance of being a part of a group of people that care about their welfare. They will learn the meaning of caring for one another and sharing good times with family and friends.

Make a purchase for them that will grow in value and last a lifetime! You can purchase an ATB Annuity for a child with as little as \$150 as an initial deposit and can make additional deposits as a check or when you desire. Current Annual Interest Yield is 3.25% on new Annuity contracts.

Or you can give them an ATB One Payment Life Plan. You simply make one payment for fully Paid-UP Whole Life Insurance. Use the tables below to see how inexpensive this gift can be:
